

2023 Subaru WRX®

Base ✧ Premium ✧ Limited ✧ GT

- Second year for the all-new generation of the iconic rally-bred WRX performance sedan
- 2.4-liter DOHC turbocharged engine is the most powerful standard WRX model ever offered in the U.S. market.
- Top-line GT model takes WRX to its highest level of sophistication and driving performance customization.

New for 2023

- Rear seat head restraints for all three seating positions; the outboard position rear seat head restraints are larger in size to comply with the IIHS safety standard requirements relating to whiplash.

- Electronic damper ride control settings
- Variable Torque Distribution (VTD) AWD engagement settings
- Climate control adjustment settings

Mechanical and Performance

- 2.4-liter DOHC turbocharged engine: 271 hp and 258 lb.-ft. torque
- Sport-tuned suspension including front struts with internal rebound springs
- Quick-ratio, dual-pinion Electric Power-Assisted Steering
- Multi-Mode Vehicle Dynamics Control with Track Mode
- Electronic controlled power assisted brake system (models with Subaru Performance Transmission)
- 16.6-gallon fuel tank
- External oil cooler on models equipped with SPT (Premium, Limited, GT)
- Electronic Adjustable Ride Control dampers (exclusive to GT)
- Exclusive to GT model: Drive Mode Select system adds Vehicle Systems Customization, including:
 - SI-DRIVE engine performance management settings
 - Steering input force response settings

Exterior Design and Function

- Aluminum front fenders
- Wheel arch cladding: black hexagon textured
- Exterior aerodynamic body elements: engine aerodynamic undercover insulator with integrated spoiler and vehicle stabilizer; drivetrain tunnel aerodynamic undercover insulator; floor aerodynamic undercover insulator; front bumper under spoiler (integrated); front fender air outlet duct; front wheel well air outlets; rear bumper diffuser and under spoiler; rear bumper air outlets; rocker spoiler (black hexagon textured)
- LED headlights (low and high beam) with automatic height adjustment control

Interior Design and User Tech

- Combination meter display features track mode and turbo boost indicators
- SUBARU STARLINK® Dual 7.0-inch Multimedia system with LCD HD

- Center Information Display (standard on Base)
- SUBARU STARLINK 11.6-inch Multimedia with integrated LCD HD Center Information Display (and navigation where applicable) is standard on Premium, Limited, and GT
- Dual-zone automatic climate control with voice activated controls (Premium, Limited, and GT)

Driver Assist Technology and Safety

- EyeSight System (with Subaru Performance Transmission) adds Advanced Adaptive Cruise Control with Lane Centering; EyeSight Assist Monitor; models with Blind-Spot Detection / Rear Cross Traffic Alert also feature new Automatic Emergency Steering
- High Beam Assist
- Rear Seat Reminder
- Automatic power door lock / unlock system (all doors)
- Tire Pressure Monitoring System with individual wheel pressure display and automatic individual wheel ID registration

Core Performance Features

- Standard 6-speed manual transmission
- Optional SPT (standard for GT) features 8-speed manual mode and steering wheel paddle shift switches; models so equipped also have Subaru Intelligent Drive (SI-DRIVE) engine performance management system that allows the driver to tailor the vehicle's driving characteristics by choosing from among three selectable modes – “Intelligent,” “Sport” and “Sport Sharp”
- Sport-tuned suspension

- Standard Active Torque Vectoring, an enhancement of the Vehicle Dynamics Control system
- Aluminum hood with integrated scoop to provide fresh air to the intercooler
- Performance exhaust system with dual-outlet stainless steel tips

Symmetrical All-Wheel Drive:

- 6-speed manual transmission: Continuous AWD version uses a viscous coupling locking center differential that nominally distributes torque 50:50 front to rear. Should slippage occur, the system transfers more torque to the wheels with the best traction.
- Subaru Performance Transmission (SPT): Variable Torque Distribution (VTD) version uses a planetary gear-type center differential and an electronically controlled hydraulic transfer clutch to manage torque distribution between the front and rear wheels. VTD nominally splits torque 45:55, with the rearward bias contributing to handling agility. The system continually optimizes torque distribution in response to driving conditions and input from steering wheel angle, yaw and lateral g-force sensors.

Key Specifications

Body:	5-pass., 4-door sedan
Engine:	2.4-liter, DOHC 4-cyl. Boxer; turbocharged with intercooler
Horsepower:	271 @ 5,600 rpm
Peak torque:	258 lb.-ft. @ 2,000-5,200 rpm
Transmission:	6-speed manual
	Opt.: SPT
Base wheels:	17-inch alloy
Base tires:	235/45 R17 97W summer
Wheelbase:	105.1 in.
Length:	183.8 in.
Width:	71.9 in.

Base weight: 3,297 lbs.
EPA MPG: 19 city/26 hwy/22 combined

Standard Equipment, Base model

- 2.4-liter DOHC turbocharged engine: 271 hp, 258 lb.-ft.
- 6-speed manual transmission
- 6-way manual driver's seat, height-adjustable
- 12-volt power outlets: dash and center console
- 17-inch alloy wheels
- 235/45 R17 97W summer performance tires
- Sport-tuned suspension including front-strut internal rebound springs
- 4-wheel disc brakes
- Anti-Lock Braking System (ABS)
- Active Torque Vectoring
- Automatic power door lock / unlock system (all doors)
- Brake Assist
- Brake Override System
- Electronic Brake-force Distribution System (EBD)
- Symmetrical All-Wheel Drive
- Multi-Mode Vehicle Dynamics Control (VDC) with Track Mode
- Airbag system: Subaru Advanced Frontal Airbags, driver's side knee airbag; front-seat side pelvis / torso airbags, and side curtain airbags
- Impact-sensing fuel cut-off
- Auto-dimming rear view mirror (6MT)
- Incline Start Assist
- Performance exhaust system with dual twin-outlet stainless steel tailpipe tips
- Audio System: SUBARU STARLINK® Dual 7.0-inch Multimedia System with high-resolution touchscreens, smartphone integration with Apple CarPlay™ and Android Auto; Bluetooth hands-free phone and audio streaming connectivity, SiriusXM Platinum Plan and Travel Link (4-month free subscriptions)
- Automatic climate control system with air filtration system
- Dome light w/ off-delay
- Illuminated front console storage tray
- Illuminated ignition switch ring
- Illuminated power window switches: all doors
- Overhead console: dual map lights w/ off-delay operation
- Power door locks
- Power exterior mirrors
- Power fuel door lock
- Power windows: auto-up / auto-down driver's and front passenger window with anti-pinch protection and off delay operation
- Rear seatback: 60/40 split fold-down
- Rear seat head restraints for all three seating positions
- Center dash panel trim: silver metallic finish
- Cloth upholstery with red stitching
- Combination meter visor: gloss black
- Cruise control
- Cup / bottle holder: dual, center console and front doors
- Door switch trim bezel: black
- Door trim panel armrests: simulated leather
- Quick-ratio, dual-pinion Electric Power-Assisted Steering
- Dual 7.0-inch LCD HD Center Information Display
- Engine immobilizer
- Exterior aerodynamic body elements: engine aerodynamic undercover insulator with integrated spoiler and vehicle stabilizer; drivetrain tunnel aerodynamic undercover insulator; floor aerodynamic undercover insulator; front bumper under spoiler (integrated); front fender air outlet ducts; front wheel well air outlets; rear bumper diffuser and under spoiler; rear bumper air outlets; rocker spoiler (black hexagon textured)
- Exterior door handles: body color
- Exterior mirrors: body color / manual-folding

- Floor mats: carpeted with red stitching and red WRX logo
- Fog light insert covers: black
- Front center console center panel: black with silver metallic finish trim
- Door trim panel accent inserts: simulated carbon fiber finish
- Front seats: performance design with height and tilt adjustable head restraints
- Front seatback pocket (passenger side)
- LED headlights (low and high beam) with automatic height adjustment control
- High Beam Assist
- Headlights auto-on / off with windshield wiper operation
- Headlights: auto-off with ignition switch
- Rear Seat Reminder
- Leather-wrapped shift lever handle
- Sport design instrument cluster with color LCD display
- Steering wheel audio control switches
- Tilt and telescopic steering column
- Rear-Vision Camera
- Remote keyless entry system
- Safety pedal system
- Security system
- Leather-wrapped steering wheel with red stitching
- Tire Pressure Monitoring System (TPMS) with individual wheel pressure display and automatic individual wheel ID registration
- Tire repair kit
- Turn signals with one-touch lane changer
- Visor vanity mirror: dual
- Welcome Lighting
- Wheel arch cladding: black hexagon textured
- Whiplash reducing front seats
- Windshield wipers: intermittent feature with variable timer and washer

Subaru Performance Transmission option for Base:

- Subaru Performance Transmission with steering wheel paddle-shift control switches and 8-speed manual shift mode
- Variable Torque Distribution (VTD) AWD
- Auto Vehicle Hold (AVH)
- Day/night rear view mirror
- Electronic controlled power assisted brake system
- Electronic Parking Brake (EPB)
- EyeSight Assist Monitor (EAM)
- EyeSight System features Advanced Adaptive Cruise Control with Lane Centering and Automatic Emergency Steering; system also includes:
 - Pre-Collision Brake Assist
 - Pre-Collision Throttle Management
 - Lane Departure and Sway Warning
 - Lead Vehicle Start Alert (Vehicle in Front)
 - Lane Keep Assist
 - Lane Departure Prevention

WRX Premium Adds:

- SUBARU STARLINK 11.6-inch Multimedia with integrated LCD HD Center Information Display
- STARLINK Safety and Security services
- 18-inch alloy wheels
- 245/40 R18 97Y summer performance tires
- All-Weather Package: three-mode heated front seats; heated power exterior mirrors, and windshield wiper de-icer
- Aluminum-alloy pedal covers, including driver's foot rest
- Dual USB charge ports in rear center console
- Dual-zone automatic climate control with voice activated controls
- Illuminated engine start / stop switch
- Illuminated glove box

- Inner door handles: chrome
- Keyless Access with Push-Button Start and PIN Code Access
- LED fog lights with black covers
- Power windows: auto-up / auto-down with anti-pinch protection and off-delay operation on all windows
- Rear seat armrest with dual cup holders
- Trunk spoiler: low-profile, body color
- Visor vanity mirrors: dual-illuminated

Option Package for Premium with 6MT:

- Harman Kardon® System including 11 speakers and 504-watt equivalent maximum output amplifier
- Power moonroof

Premium with Subaru Performance Transmission adds:

- Subaru Performance Transmission with 8-speed manual shift mode and steering wheel paddle-shift controls
- SI-DRIVE engine performance management system
- EyeSight System with Advanced Adaptive Cruise Control with Lane Centering and Automatic Emergency Steering; system also includes:
 - Pre-Collision Brake Assist
 - Pre-Collision Throttle Management
 - Lane Departure and Sway Warning
 - Lead Vehicle Start Alert (Vehicle in Front)
 - Lane Keep Assist
 - Lane Departure Prevention
- Day/night rear view mirror
- Electronic Controlled Power Assisted Brake System
- Electronic parking brake
- External oil cooler
- Front center console center panel: gloss black with matte dark gray finish trim

- Leather-wrapped shift lever handle: gloss black with matte dark gray metallic finish trim
- Rear center console storage box lid: simulated leather

Limited adds over Premium:

- 10-way power driver's seat (includes power lumbar support)
- Harman Kardon® System including 11 speakers and 504-watt equivalent maximum output amplifier
- Blind-Spot Detection with Lane Change Assist and Rear Cross-Traffic Alert
- Center dash panel trim: matte dark gray metallic finish
- Combination meter visor: matte dark gray metallic finish dash panel with red stitching
- Door trim panel armrests: simulated leather with red stitching
- Exterior mirrors: body color / manual-folding with integrated turn signals
- Front door trim panel accent insert: black simulated carbon fiber finish
- Front seatback pocket (driver's side)
- Headlights: C-shape LED light operating as turn signal, parking light and DRL
- Power moonroof
- Rear center console storage box lid: simulated leather with red stitching
- Steering Responsive Headlights
- Upholstery: Ultrasuede with red stitching

Optional SPT for Limited includes:

- Subaru Performance Transmission with steering wheel paddle-shift control switches and 8-speed manual shift mode
- Variable Torque Distribution (VTD) AWD
- Auto Vehicle Hold
- Blind-Spot Detection with Lane Keep Assist and Rear Cross-Traffic Alert system

- Day/night rear view mirror
- Electronic controlled power assisted brake system
- Electronic Parking Brake
- EyeSight Assist Monitor
- EyeSight System with Advanced
- Adaptive Cruise Control with Lane Centering and Automatic Emergency Steering; system also includes:
 - Pre-Collision Brake Assist
 - Pre-Collision Throttle Management
 - Lane Departure and Sway Warning
 - Lead Vehicle Start Alert (Vehicle in Front)
 - Lane Keep Assist
 - Lane Departure Prevention
- External oil cooler
- Rear center console storage box lid: simulated leather with red stitching
- Reverse Automatic Braking system
- Shift lever handle: leather-wrapped, gloss black with matte dark gray metallic finish trim
- SI-DRIVE engine performance management

GT adds over Limited with Subaru Performance Transmission option:

- Upholstery: Ultrasuede with red stitching
- Dash Panel: Ultrasuede with red stitching
- Drive Mode Select adds Vehicle Systems Customization
- Recaro® performance design front seats with 8-way power driver's seat
- Front seatback pockets (both seats)
- Suspension: Sport-tuned with Electronic Adjustable Ride Control
